

HARASSMENT AND VIOLENCE

POLICY:	413
ADOPTED:	04/16/01
REVISED:	09/25/23

I. Purpose

The purpose of this policy is to maintain an education and work environment free from harassment and violence on the basis of race, color, creed, religion, national origin, sex, age, marital status, familial status, status with regard to public assistance, sexual orientation or disability (Protected Class).

II. General Statement of Policy

- A. The policy of the school district is to maintain a learning and working environment free from harassment and violence on the basis of Protected Class. The school district prohibits any form of harassment or violence on the basis of Protected Class.
- B. A violation of this policy occurs when any student, teacher, administrator or other school personnel of the school district harasses a student, teacher, administrator or other school personnel or group of students, teachers, administrators, or other school personnel through conduct or communication based on a person's Protected Class as defined by this policy. (For purposes of this policy, school personnel includes school board members, school employees, agents, volunteers, contractors or persons subject to the supervision and control of the district.)
- C. A violation of this policy occurs when any student, teacher, administrator, or other school personnel of the school district inflicts, threatens to inflict, or attempts to inflict violence upon any student, teacher, administrator or other school personnel or group of students, teachers, administrators, or other school personnel based on a person's Protected Class.
- D. The school district will act to investigate all complaints, either formal or informal, verbal or written, of harassment or violence based on a person's Protected Class, and to discipline or take appropriate action against any student, teacher, administrator or other school personnel who is found to have violated this policy.
- E. It is the responsibility of every school district employee and student to comply with this policy.

III. District Reporting

Any person who believes they have been the victim of harassment or violence on the basis of Protected Class by a student, teacher, administrator or other school personnel of the school district, or any person with knowledge or belief of conduct which may constitute harassment or violence prohibited by this toward a student,

teacher, administrator or other school personnel or group of students, teachers, administrators, or other school district officials designated by this policy.

A person may report conduct that may constitute harassment or violence anonymously. However, the school district may not rely solely on an anonymous report to determine discipline or other remedial responses.

The school district encourages the reporting party or complainant to use the grievance procedure and form available in the appendices of this policy. Oral reports shall be considered complaints as well. Nothing in this policy shall prevent any person from reporting harassment or violence directly to a school district human rights officer or to the superintendent.

- A. The Superintendent hereby designates the Director of Human Resources, Michele Carroll, 2990 80th Street East, Inver Grove Heights, Minnesota, 651-306-7805, carrollm@isd199.org as its human rights officer. The human rights officer is to receive reports or complaints of harassment or violence prohibited by this policy. If the complaint involves a human rights officer, the complaint shall be filed directly with the superintendent.
- B. The school district shall conspicuously post the name of the human rights officer(s), including mailing addresses and telephone numbers.
- C. Submission of a good faith complaint or report of harassment or violence prohibited by this policy will not affect the complainant or reporter's future employment, grades, or work assignments.
- D. False accusations or reports of harassment or violence against another person are prohibited.
- E. A person who engages in an act of violence or harassment, reprisal, retaliation, or false reporting of violence or harassment, or permits, condones, or tolerates violence or harassment shall be subject to discipline or other remedial responses for that act in accordance with the school district's policies and procedures.
- F. A person who engages in an act of violence or harassment, reprisal, retaliation, or false reporting of violence or harassment, or permits, condones, or tolerates violence or harassment shall be subject to discipline or other remedial responses for that act in accordance with the school district's policies and procedures.
- G. Consequences for students who commit, or are a party to, prohibited acts of violence or harassment or who engage in reprisal or intentional false reporting may range from remedial responses or positive behavioral interventions up to and including suspension and/or expulsion.
- H. Consequences for employees who permit, condone, or tolerate violence or

harassment or engage in an act of reprisal or intentional false reporting of violence or harassment may result in disciplinary action up to and including termination or discharge.

- I. Use of formal reporting forms is not mandatory.
- J. The school district's grievance procedure and form for complaints of discrimination, harassment, violence and other offensive behavior can be found in Appendix I and Appendix II of this policy. Harassment and violence definitions can be found in Appendix III.

IV. School Building Reporting

- A. The building principal, the principal's designee, or the building supervisor (hereinafter the building report taker) is the person responsible for receiving oral or written reports of harassment or violence prohibited by this policy at the building level. Any adult school district personnel who receives a report of harassment or violence prohibited by this policy shall inform the building report taker immediately. If the complaint involves the building report taker, the complaint shall be made or filed directly with the superintendent or the school district human rights officer by the reporting party or complainant. School district personnel who fail to inform the building report taker of a report of harassment or violence in a timely manner may be subject to disciplinary action.
 - 1. The building report taker shall ensure that this policy and its procedures, practices, consequences, and sanctions are fairly and fully implemented and shall serve as a primary contact on policy and procedural matters.
 - 2. A teacher, school administrator, volunteer, contractor, or other school employee shall be particularly alert to possible situations, circumstances, or events that might include acts of harassment or violence. Any such person who witnesses, observes, receives a report of, or has other knowledge or belief of conduct that may constitute harassment or violence shall make reasonable efforts to address and resolve the harassment or violence and shall inform the building report taker immediately. School district personnel who fail to inform the building report taker of conduct that may constitute harassment or violence or who fail to make reasonable efforts to address and resolve the harassment or violence in a timely manner may be subject to disciplinary action.
 - 3. Upon receipt of a report, the building report taker must notify the school district human rights officer immediately, without screening or investigating the report. The building report taker may request, but may not insist upon a written complaint. A written statement of the facts alleged will be forwarded as soon as practicable by the building report taker to the human rights officer. If the report was given verbally, the building report taker shall personally reduce it to written form within 24 hours and forward it to the human rights officer. Failure to forward any

harassment or violence report or complaint as provided herein may result in disciplinary action against the building report taker.

V. Basic Requirements for Grievance Process

A. Equitable Treatment

1. The school district shall treat complainants and respondents equitably. However, equality or parity with respect to supportive measures provided to complainants and respondents is not required.
2. The school district will not impose any disciplinary sanctions or take any other actions against a respondent that do not constitute supportive measures until it has completed this grievance process and the respondent has been found responsible.
3. The school district will provide appropriate remedies to the complainant any time a respondent is found responsible.

B. Objective and Unbiased Evaluation of Complaints

1. If there is a conflict of interest with respect to any party affected by this policy, appropriate action shall be taken such as, but not limited to, appointing or contracting with a neutral third party investigator to conduct the investigation or recusal from the process the person for whom a conflict or potential conflict of interest exists.
2. Throughout the grievance process, the human rights officer will objectively evaluate all relevant evidence, inculpatory and exculpatory, and shall avoid credibility determinations based solely on a person's status as a complainant, respondent, or witness.

C. The human rights officer will presume that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

D. Confidentiality

The school district will keep confidential the identity of any individual who has made a report or complaint of harassment and violence, including any individual who has made a report or filed a formal complaint of harassment and violence, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, or FERPA's regulations, and State law under Minn. Stat. § 13.32 34 C.F.R. Part 99, or as required by law, or to carry out the purposes of 34 C.F.R. Part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the school district's obligation to maintain confidentiality shall not impair or

otherwise affect the complainants and respondents receipt of the information to which they are entitled with respect to the investigative record and determination of responsibility).

E. Right to an Advisor; Right to a Support Person

Complainants and respondents have the right, at their own expense, to be assisted by an advisor of their choice during all stages of any grievance proceeding, including all meetings and investigative interviews. The advisor may be, but is not required to be, an attorney. In general, an advisor is not permitted to speak for or on behalf of a complainant or respondent, appear in lieu of complainant or respondent, participate as a witness, or participate directly in any other manner during any phase of the grievance process.

A complainant or respondent with a disability may be assisted by a support person throughout the grievance process, including all meetings and investigative interviews, if such accommodation is necessary. A support person may be a friend, family member, or any individual who is not otherwise a potential witness. The support person is not permitted to speak for or on behalf of a complainant or respondent, appear in lieu of complainant or respondent, participate as a witness, or participate directly in any other manner during any phase of the grievance process.

F. Notice

The school district will send written notice of any investigative interviews or meetings to any party whose participation is invited or expected. The written notice will include the date, time, location, participants, and purpose of the meeting or interview, and will be provided to allow sufficient time for the party to prepare to participate.

G. Consolidation

The school district may, in its discretion, consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of harassment and violence arise out of the same facts or circumstances.

H. Evidence

1. During the grievance process, the school district will not require, allow, rely upon, or otherwise use questions or evidence that constitute or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.
2. The school district shall not access, consider, disclose, or otherwise use a party's medical, psychological, and similar treatment records unless the

school district obtains the party's voluntary, written consent.

I. Burden of Proof

1. The burden of gathering evidence and the burden of proof shall remain upon the school district and not upon the parties.
2. The grievance process shall use a preponderance of the evidence standard (i.e. whether it is more likely than not that the respondent engaged in sexual harassment) for all formal complaints of harassment and violence, including when school district employees are respondents.

VI. Reporting a Grievance

Further information on reporting a grievance can be found in the district's grievance procedures and grievance process contained in Appendix I and Appendix II of this policy, including how to report or file a complaint of harassment and violence, how to report or file a formal complaint of harassment and violence, and how the school district will respond.

VII. Harassment or Violence as Abuse

- A. Under certain circumstances, alleged harassment or violence may also be possible abuse under Minnesota law. If so, the duties of mandatory reporting under Minnesota Statutes Chapter 260E may be applicable.
- B. Nothing in this policy will prohibit the school district from taking immediate action to protect victims of alleged harassment, violence or abuse.

VIII. Dissemination of Policy and Evaluation

- A. This policy shall be made available to all students, employees, parents and/or guardians of students, and employee unions.
- B. The school district shall review this policy and the school district's operation for compliance with state and federal laws prohibiting harassment and violence on a continuous basis.
- C. The school district shall conspicuously post the name of the human rights officer, including office address, telephone number, and work email address on its website and in each handbook that it makes available to parents, employees, students, unions, or applicants.
- D. This policy shall be conspicuously posted throughout each school building in areas accessible to students and employees.
- E. This policy shall be given to each school district employee and independent contractor at the time of entering into the person's employment contract.

- F. This policy shall appear in the student handbook.
- G. The school district will develop a method of discussing this policy with students and employees.
- H. The school district may implement violence prevention and character development education programs to prevent and reduce policy violations. Such programs may offer instruction on character education including, but not limited to, character qualities such as respect for others, value of leadership guidance, attentiveness, truthfulness, diligence, gratefulness, self-discipline, patience, forgiveness, peacemaking, resourcefulness and/or sexual abuse prevention.

X. Recordkeeping

The school district must create, and maintain for a period of seven calendar years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of harassment and violence.

GRIEVANCE PROCEDURE FOR COMPLAINTS OF DISCRIMINATION, HARASSMENT, VIOLENCE AND OTHER OFFENSIVE BEHAVIOR

Independent School District 199 maintains a firm policy prohibiting all forms of unlawful discrimination, harassment, violence, and other offensive behavior based on an individual's race, color, creed, religion, national origin, sex, age, marital status, familial status, status with regard to public assistance, sexual orientation, or disability (Protected Class). ISD 199 prohibits discrimination, harassment, violence and other offensive behavior by or toward a student, school district personnel, or third party that occurs on any property owned or controlled by District or in connection with any activity sponsored by or associated with District. District environments covered include academic, extra-curricular, and co-curricular environments with an approved District association.

The school district shall treat complainants and respondents equitably. However, equality or parity with respect to supportive measures provided to complainants and respondents is not required. The district will not impose any disciplinary sanctions or take any other actions against a respondent that do not constitute supportive measures until it has completed this grievance process and the respondent has been found responsible. The district will provide appropriate remedies to the complainant any time a respondent is found responsible.

I. Reporting a Grievance

- A. Any student who believes they have been the victim of unlawful sex discrimination or sexual harassment, or any person (including the parent of a student) with actual knowledge of conduct which may constitute unlawful sex discrimination or sexual harassment toward a student should report the alleged acts as soon as possible to an appropriate school district official designated by Policy 522 Title IX Sex Nondiscrimination. The complaint must be filed within 90 calendar days of the alleged violation.
- B. Any employee of the school district who has experienced, has actual knowledge of, or has witnessed unlawful sex discrimination, including sexual harassment, or who otherwise becomes aware of unlawful sex discrimination, including sexual harassment, must promptly report the allegations to the Title IX Coordinator without screening or investigating the report or allegations.
- C. The Human Rights Officer is responsible for receiving oral or written complaints of unlawful discrimination toward an employee or student. However, nothing in this policy shall prevent any person from reporting unlawful discrimination toward an employee or student directly with the Human Rights Officer, the school board or other school district official.
- D. The school board hereby designates Director of Human Resources, Michele Carroll, 2990 80th Street East, Inver Grove Heights, 651-306-7805, carrollm@isd199.org as the school district Human Rights Officer to receive reports, complaints, or grievances of unlawful discrimination. If the complaint

involves a Human Rights Officer, the complaint shall be filed directly with the Superintendent.

- E. Upon receipt of a complaint, the Human Rights Officer shall immediately notify the Superintendent. If the Superintendent is the subject of the complaint, the Human Rights Officer shall immediately notify the school board.
- F. The Human Rights Officer may request a written complaint. Alternative means of filing a complaint, such as through a personal interview or by tape recording, shall be made available upon request for qualified persons with a disability. If the complaint is oral, it shall be reduced to writing within 24 hours and forwarded to the Superintendent. Failure to do so may result in disciplinary action. The school district encourages the reporting party to complete the complaint form for written complaints. It is available from the principal of each building or the school district office.
- G. The school district shall respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses, consistent with the school district's legal obligations to investigate, take appropriate action, and comply with any discovery or disclosure obligations.

II. Responsible Administrators

Any prohibited conduct should be reported to the appropriate responsible administrator as outlined below.

- A. Students. A student who is the target of alleged prohibited conduct should make a complaint as follows:
 - 1. If the alleged offender is a student, the conduct should be reported to the school principal. An alternative option is to report the conduct to the Superintendent or Superintendent's designee.
 - 2. If the alleged offender is a school district personnel member or third party, the conduct should be reported to the school principal. An alternative option is to report the conduct to the Director of Human Resources.
- B. School District Personnel members. A school district personnel member who is the target of alleged prohibited conduct should make a complaint as follows:
 - 1. If the alleged offender is a student, the conduct should be reported to the school principal. An alternative option is to report the conduct to the Superintendent or Superintendent's designee.
 - 2. If the alleged offender is a school district personnel member or third party, the conduct should be reported to the school principal. An alternative option is to report the conduct to the Director of Human Resources.

- i. If the alleged offender is the Superintendent or a member of the Board of Education, the conduct should be reported to the Chair of the Board of Education.
 - ii. If the alleged offender is the Chair of the Board of Education, the conduct should be reported to the Vice-Chair.
- C. Third Parties. A third party who is the target of alleged prohibited conduct should make a complaint as follows:
 - 1. If the alleged offender is a student, the conduct should be reported to the school principal. An alternative option is to report the conduct to the Superintendent or Superintendent's designee.
 - 2. If the alleged offender is a school district personnel member or third party, the conduct should be reported to the school principal. An alternative option is to report the conduct to the Director of Human Resources.

Responsible administrators who receive complaints of alleged prohibited conduct must document all complaints using District provided report forms, which can be obtained from the school principal, the District office or on the District's website.

Nothing in this procedure prevents any individual from reporting alleged prohibited conduct directly to the Superintendent or from using alternative District policies or procedures. For example, employees and students may report sex discrimination to the District's Title IX Coordinator. In addition, to the extent permitted by the agencies, individuals may file complaints with outside agencies including the Minnesota Department of Human Rights, the U.S. Department of Education Office of Civil Rights (Region V), and the Equal Employment Opportunity Commission.

III. Investigation of a Grievance

- A. The Human Rights Officer, upon receipt of a complaint alleging unlawful discrimination shall promptly undertake an investigation if deemed appropriate. The investigation may be conducted by the Title IX coordinator for complaints of sex discrimination or the Section 504 Coordinator for complaints of disability discrimination, or a school district official or neutral third party designated by the Title IX coordinator, Section 504 coordinator or Human Rights Officer. The investigation shall be completed within 30 days of the complaint, unless impracticable.
- B. The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of other methods deemed pertinent by the investigator.
- C. In determining whether the alleged conduct constitutes a violation of this policy,

the school district shall consider the facts and the surrounding circumstances such as the nature of the behavior, past incidents or continuing patterns of behavior, the relationships between the parties involved and the context in which the alleged incident occurred.

- D. The school district may take immediate steps to protect the parties involved in the complaint process, pending completion of an investigation of alleged unlawful discrimination.
- E. The individual accused of the act(s) of harassment or violence shall be allowed the opportunity to present a defense during the investigation or prior to the imposition of discipline or other remedial responses.
- F. The investigation will be completed as soon as practicable. Upon completion of the investigation, the school district investigator shall make a written report to the Human Rights Officer. If the complaint involves the Human Rights Officer, the report may be filed directly with the Superintendent or school board. The report shall include the facts, a determination of whether the allegations have been substantiated, whether a violation of this policy has occurred as well as a description of any proposed resolution which may include alternative dispute resolution.
- G. The district shall comply with federal and state law pertaining to retention of records.

IV. Appeal Process

If the grievance has not been resolved to the satisfaction of the complainant, the complainant may appeal to the Human Rights Officer within ten (10) school days of receipt of the findings of the school district investigation. The school district investigator shall conduct a review of the appeal and within ten (10) school days of receipt of the appeal, shall affirm, reverse, or modify the findings of the report. The decision of the school district investigator is final but does not preclude pursuit of alternative complaint procedures noted in the section entitled "Right to Alternative Complaint Procedures."

V. School District Action

- A. Upon conclusion of the investigation and receipt of the findings, the school district shall take appropriate action. If it is determined that a violation has occurred, such action may include, but is not limited to, restorative practices, remediation, warning, suspension, expulsion, transfer or termination. School district action taken for violation of this policy shall be consistent with the requirements of applicable collective bargaining agreements, Minnesota and federal law and school district policies.
- B. The result of the school district's investigation of each complaint filed under these procedures shall be reported in writing to the complainant by the school district in accordance with state and federal law regarding data or records privacy.

- C. In order to prevent or respond to acts of harassment or violence committed by or directed against a child with a disability, the school district shall, where determined appropriate by the child's individualized education program (IEP) or Section 504 team, allow the child's IEP or Section 504 plan to be drafted to address the skills and proficiencies the child needs as a result of the child's disability to allow the child to respond to or not to engage in acts of harassment or violence.

VI. Retaliation

The school district shall take appropriate action against any student, teacher, administrator or other school personnel who retaliates against any person who reports alleged unlawful discrimination toward an employee or student or any person who testifies, assists or participates in an investigation or hearing relating to such unlawful discrimination. Retaliation includes, but is not limited to, any form of intimidation or harassment.

VII. Conflict of Interest

If there is a conflict of interest with respect to any party affected by this policy, appropriate action shall be taken such as, but not limited to, appointing or contracting with a neutral third party investigator to conduct the investigation or recusal from the process the person for whom a conflict or potential conflict of interest exists.

VIII. Dissemination of Procedures

The school district shall adopt and publish these procedures on the district's website.
